

What are the scenario naming conventions for BY2007?

- **AOB**

The AOB scenario(s) should begin with "AOB" and be followed by the year and if needed a letter.

ex. AOB2007, AOB2007A, ... AOB2007Z

- **Amendments**

Amendment scenarios begin with "A", then 2 digits for the year and up to 4 digits for the sequence.

ex. A070001, A070002 or a short version can be used like A07001, A07002

- **Internal Revisions**

Internal Revision scenarios begin with "IR", then 2 digits for the year and up to 4 digits for the sequence.

ex. IR070001, IR070002 or a shorter version can be used like IR07001, IR07002
